

2021-2022

Service Inspection Specials

Whether a homeowner, farmer, landscaper or construction pro, you can always depend on Green Tractors to keep you running year-round, and extend the life of your equipment.

The Green Tractors Assurance

When you bring your equipment to Green Tractors, you can rest assured that our first commitment is to you and your investment.

1. We perform the most thorough inspection possible to ensure your capital assets are maintained and operating at peak performance levels
2. All inspections include a written estimate
3. No repairs are ever completed without customer authorization
4. We will repair your machine properly the first time
5. We only use genuine John Deere parts to protect your investment, and keep it running the way it should
6. In the event of an in-season breakdown, we'll provide priority service and waive the first service call charge if an inspection has been completed
7. We make things right — that's why we provide a 90-day warranty on all service
8. We provide quality and timely road service to close the distance gap with our customers
9. We constantly retrain and learn new techniques and technologies to keep the skills and knowledge of our Parts and Service teams on the cutting edge

*Offers valid for inspections booked between November 1, 2021 to March 31, 2022. Prices are suggested retail prices only and are subject to change without notice. See dealer for details. Plus no interest, no payments until October 2020 with your John Deere Financial Account. Offers valid for inspections booked between November 1, 2021 to March 31, 2022. Dealers are free to set individual prices. Additional dealer fees may apply. Financing on approved John Deere Financial credit only. See dealer for details. Limited to one offer per customer. Offer is available on new equipment only. Offer is subject to change without notice. Offer is subject to the purchase financing offer, consumers may be foregoing such discounts and incentives which may result in a higher effective interest rate. For purchases on your Multi-use Account for personal use, offer is unconditionally interest free for the first 12 months. After the 12 month period, for eligible purchases of goods and services: 1) a minimum monthly payment of 2.5% of the original amount financed will apply. Representative Amount Financed: \$10,000, at 17.9% APR, monthly payment is \$250 for 62 months, total obligation is \$15,500. Cost of borrowing is \$5,500. Monthly payments and cost of borrowing will vary depending on amount borrowed and down payment. Offer is available on new equipment only. Offer is subject to change without notice. Offer is subject to the purchase financing offer and not MSRP cash price. Minimum finance amount may be required and representative amount does not guarantee offer applies. In the event you default on this or any John Deere Financial Multi-use Account transaction, interest on all outstanding balances on your Multi-use Account (including on this and all other Special Terms transactions on your Multi-use Account) will begin to accrue on the date of default at the rate of 2.5% (personal use); 3.0% (commercial use) of the original amount financed plus interest. Multi-use Account equal to 2.5% (personal use); 3.0% (commercial use) of the original amount financed plus interest.
